

TOWN OF NEWPORT

PUBLIC WORKS DEPARTMENT

YARD DEBRIS

Yard debris is picked up on the 1st and 3rd Wednesdays of the month.

-To request a yard debris pick up during weeks with no scheduled pick up, please call 223-3902 before 3:00pm on Tuesday.

This is a service that is provided to residents at no additional charge. Please remember that there are a few guidelines that we ask you to follow so that we can more effectively serve you and your neighbors. If you have questions about storm debris removal please call 223-3902.

These guidelines are as follows:

- No household garbage, construction debris, landscape timbers, or furniture. If it doesn't grow, it doesn't go.
- Small amounts of 1 or 2 small household appliances will be picked up as needed. Please notify us if you should need these appliances removed from your yard.
- Leaves, pine straw, grass trimmings and small branches should be placed in bags.
- Please notify us if there are hazardous materials such as poison ivy that may be in your piles.
- Small limbs should be cut up into 4 foot lengths and placed parallel to the street. Please no stumps.
- The Town will not be responsible for large quantities of yard waste from one home. No more than a pickup truck load each scheduled week.
- The Town will not be responsible for either home or landscape contractor's debris. If they are paid to do the job they will be required to haul away their own debris.
- During adverse weather such as rain some yard debris may be picked up on Tuesday with another quick pick up on Wednesday. Yard debris will also be picked up on the day prior or the day after a holiday if it falls on a Wednesday.
- Please have all yard debris out by 7:00am on Wednesday.

Please help us to better serve you by following these guidelines. If you have questions about your yard debris, please call 223-3902 for the Public Works Department.
